ARCH for RN's and LPN's (16 hours)

This course is designed for RN's and LPN's with a current license who want to operate an adult residential care home (ARCH) business in Hawai'i. The course covers care home and residents' records, and rules and regulations governing care home operators in Hawai'i. Guest speakers, including Department of Health surveyors and social security administration representatives, share their areas of expertise. Obtain and bring a copy of Chapter 100 from the web <http://www.state.hi.us/doh/rules/ADMRULES.html>. Scroll down to 'Chap' 100 (2nd column) and click on the link. Or call the DOH at 692-4000 to purchase a copy there. *Prerequisites: RN or LPN licensed in Hawaii.*

Nurse Aide Recertification

Recertification of Nurse Aides is the official 24-hour course to evaluate Nurse Aides for Recertification as required by State of Hawai'i regulations. The course is organized to evaluate competent performance of nurse aide skills. After successful completion of the course, Nurse Aides will be qualified to be recertified in the State of Hawai'i. The 24-hour course will consist of classroom, and laboratory and clinical sessions at Leahi Hospital. Additional hours for supervised assistance will be available through the Kapi'olani Community College Nursing Department Laboratory Resource Center at no additional cost. *Prerequisites: CPR for health care providers and First Aid certificate; Tuberculosis (TB) clearance (2-step); Hep B immunization; Personal health insurance.* A criminal background check and drug testing will be done by Leahi Hospital (\$25).
